

Nombre Test Case:	<b>ID:(37)</b> Verificar mensaje de error en transacción a cuenta inexistente		
Fecha de Prueba		Status:	No superado
Comentarios	Error, porque me dice que se trata de verificar el monto y no que la cuenta es inexistente.		
No. Defecto (De existir)		Tester:	Paul Duarte

1-

2- Nos dirigimos a la pestaña “Transfer” colocando los datos proporcionados

The screenshot shows a mobile application interface for a transfer function. The background is a solid dark blue. At the top, the word "Transfer" is written in a large, white, sans-serif font. Below this, there are several input fields and a button, all with white text and borders. The first field is a dropdown menu labeled "Third party Account" with a downward arrow. Below it is the text "Select Account". The next field is another dropdown menu showing "VIN-26614797 : \$95000" with a downward arrow. This is followed by the word "to" in a medium-sized font. Below "to" is the label "Account Number" in a smaller font, followed by a text input field containing "@messi10#gol". Below that is the label "Description" in a smaller font, followed by a text input field containing "varios". Then comes the label "Amount:" in a smaller font, followed by a text input field containing "5000". At the bottom of the form is a dark blue rectangular button with the word "Transfer" in white, bold, sans-serif font.

Transfer
